To whom it may concern:

It is a pleasure to greet you. Attached you will find mi curriculum, which im sending with the purpose of being considered in future searches for profiles that align with my experience and skills. With the same I also leave a brief presentation.

I am passionate about Web development, I am currently in the early stages of my career as a Full Stack Developer. Committed to continuous learning and adaptability to keep up to date in this constantly evolving field. I am eager to face new challenges and opportunities that allow me to grow and develop my skills in a professional environment. My goal is to contribute significantly to the team, bringing my enthusiasm, dedication and effort.

Regarding my training, it started in April 2022 to achieve my diploma at the end of the same year, having gained experience in different programming languages and frameworks.

My vision is focused on professional growth and continuing to learn new and different technologies.

I appreciate your consideration and look forward to the possibility of being able to contribute.

Sincerely yours,

Matias Leonardo Aguirre
